

From The Desk of Chief Domonic Campbell Monthly Report for Police Department

Date: February 2, 2018

Special Notes

We moved back into the police building this month. Residents can now drop off their residence check forms at the police department. Also, residents can now drop off their pills in the Pill Drop Box that is located in the lobby of the police department.

We collected 6.6 pounds of pills this month.

The police department now has a designated parking spot for internet purchase exchanges. The spaces, located at the front of the building, have a sign to mark the area where you may park to safely make exchanges. There is also video camera surveillance of this area. It is much safer to handle transactions at the police department instead of at your home or a business parking lot.

Received a grant reimbursement for a bulletproof vest from the NC League of Municipalities Soft Body Armor Program in the amount of \$250.00. Still awaiting reimbursement from the Bulletproof Vest Program for this vest.

The Resident Canada Goose Nest & Egg registration was renewed this month. The renewal allows us to continue with depredation activities from March 1 – June 30, 2018.

A new in-car camera system has been installed in 5 police vehicles and is fully operational.

Senior Officer Holt tragically lost his grandmother on New Year's Day due to an accident caused by an impaired driver. All police department personnel attended the funeral service for this grandmother on January 6th.
