

VILLAGE OF WHISPERING PINES

CODE OF ORDINANCES

Chapter C – Streets (Amended 11/13/19)

Section 1. Permit to Dig In Street

It shall be unlawful for any person, firm or corporation to dig any hole, ditch or excavation of any kind whatsoever, on any Village maintained street or street right-of-way, without first securing a permit from the Zoning Administrator. The applicant must provide a Certificate of Liability Insurance prior to the issuance of a permit. The applicant must return to make any and all necessary repairs that may be required for a period of 90 days from the date of the original cutting or digging operation.

Section 2. Street Repair

It shall be the duty of every person, firm or corporation who shall open or dig a ditch, trench or hole in any Village maintained street or street right-of-way to repair the street or street right-of-way, to the same condition as prior to the cutting or digging operation.

Section 3. Excavations

It shall be unlawful for any person, firm or corporation making any excavation for any purpose whatsoever in any Village maintained street or street right-of-way to fail to securely cover such excavations with planks or place ropes around the same 3 feet from the ground or to fail to place a sufficient number of warning lights around such excavation before dark and to keep such light burning all night every night such excavation shall be open.

Section 4. Streets Not To Be Damaged

It shall be unlawful for any person, firm or corporation to operate, or cause to be operated any vehicle, machine or tool upon any asphalt, bithulitic, warrenite or other permanently paved Village maintained street or street right-of-way so as to damage or cut the surface in any way. It shall also be unlawful to damage any dirt street in the same manner.

Section 5. House Moving

No person shall move any house or building upon or across any Village maintained street or street right-of-way without the written consent of the Zoning Administrator and the applicable fee as specified in Chapter A of this Ordinance has been paid.

Section 6. Damage to Bridges and Culverts

No person shall damage or misplace any part of any bridge, culvert, ditch, drain or other property belonging to or used by the Village, or shall place any

obstruction in any culvert, ditch or drain to prevent the free flow of water, on, over or under the streets of the Village.

Section 7. Damage to Lights, Signs

No person shall damage, tamper with, remove or paint upon or deface any sign, signpost, streetlight, bulletin board or other Village property.
